The Rotary Air Show Plus is a fund-raising event sponsored by the San Juan Rotary Club of San Juan County, New Mexico. The mission of Rotary International, a worldwide association of Rotary clubs, is to provide service to others, to promote high ethical standards, and to advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Welcome to the Rotary Air Show Plus

Please stop by the information booth with any questions — we'll do our best to answer them. Be sure to visit our vendors and exhibitors at the show. And Thank You to all our sponsors! You really helped to make this event an exciting and outstanding performance!

Aerobatic Decathlon – Matt Younkin. Photo by Scott

For over 30 years, the definition of a pilot is Matt Younkin. These two brought their super-human ability to fly. Matt and Younkin are showing the world that flying is not just a hobby, it's a lifestyle. Kyle Franklin and Matt Younkin are known families in the aviation community. They have been a part of their lives since they were young. They grew up on a private airstrip in L...

definition of airshows has been Jimmy Franklin and Bobby
at the most innovative, insane, and impossible acts to life with
fly. By keeping the tradition alive, the next generation of Franklin and
world that they have what Bobby used to call "that defective gene."
Younkin are both third generation pilots who come from rather well
on community. They are less than a year apart in age and airshows have
nce day one. Kyle grew up living in a hangar-house in Ruidoso, NM. Matt
p in Lowell, AR.

Vertigo Airshows introduces the Super Salto, the world's most powerful self-launching jet sailplane. There's nothing else like it in the world! With its military-grade 225 pound thrust jet engine, the Super Salto jet sailplane self-launches and performs both a classic sailplane aerial ballet and screamin' low-level jet aerobatics.

Bob Carlton began flying in 1979 at the age of 19. He has since logged over 2000 hours in a wide variety of aircraft and holds a commercial pilot's certificate. Bob has flown hang gliders, airplanes, helicopters and sailplanes from hundreds of sites in the US, Canada, Mexico and Australia. He hails from Albuquerque, New Mexico.

September 2009

To All Rotary Air Show Attendees:

We are delighted to welcome you to Farmington. If you are a first-time visitor, we are always pleased to show off our corner of the "Land of Enchantment" and to extend to you our famous Farmingtonian hospitality.

Our Convention and Visitors Bureau (located in Gateway Park at 3041 East Main Street along with our Farmington Museum) can point you to the many attractions of our City and the Four Corners area. Some of our favorites include: the Aztec, Salmon or Chaco Canyon Ruins, Navajo Lake State Park, the trails along the Animas River at Berg Park, and our nationally acclaimed five-star Piñon Hills Golf Course, named by Golfweek as the No. 4 municipal golf course in America (just behind Torrey Pines). You will also enjoy visiting our spectacular Farmington Public Library located at 2101 Farmington Avenue.

Here's hoping you enjoy the Air Show. You are most welcome to come back any time—have a great weekend!

Sincerely,

William E. Standley, Mayor
City of Farmington

THE ROTARY FOUR-WAY TEST — The test, which has been translated into more than 100 languages, asks the following questions:

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
