

tandyinteriors provides commercial and residential interior decorating services. We create unique designs, or enhance a current space, while working within the framework of each client's budget, desires, and personal taste. Whether traditional, transitional, or contemporary, our objective is to understand each client's needs and to work in a collaborative process to achieve optimal results.

Making the most of what you have.

Offering:

- Design and space planning and organization
- Coordination of all interior finishes, artwork, and accessories
- Paint color schemes and faux finishes
- Custom window treatments
- Floor coverings and area rugs
- Lighting plans and fixtures
- Furniture, cabinetry and storage

Design,
color,
space,
passion.
